## United Fund Campaign Leaders Are Named

A. P. Steinhauser Will Be Chairman; Joseph Glik, Vice-Chairman

Selection of A. P. Steinhauser, works manager of American Steel Foundries, to be chairman of the Tri-Cities United Fund campaign this fall was announced Friday by N. R. Brink, president of the UF board.

Aiding Steinhauser will be Joseph Glik, president of Glik's Department stores, who will be vice-chairman. Brink said a meeting of the two campaign leaders and the UF board will be held in the near future to plan the drive for 1964 funds.

"We're fortunate, indeed, to secure the services of these two outstanding civic leaders for the fund drive," Brink pointed out. "Both have served on the United Fund's budget committee and are fully aware of the extensive needs of the community. Their experience in United Fund operations should aid them and the campaign tremendously," he added.

**Budget Work To Begin**  
Preparations to determine the goal for this year's campaign will begin next week. Paul Lichtenberger, chairman of the Administration and Distribution Committee, has called a meeting for Tuesday, May 21. Hearings for each of the United Fund agencies will start in June to determine the amounts needed for 1964 operations.

In last year's campaign, 98.3% of the \$209,231 goal was attained. The new UF campaign chairman has been a member of the United Fund board of trustees since 1951. He was chairman of the campaign's Industrial Division for two years and last year was a member of the UF executive board.

**Community Activities**  
Steinhauser, who lives with his family at 1613 Lindell Blvd., also participates in other community activities. He has served as finance chairman for the Cahokia Boy Scout Council, United Fund agency, and is on the board of directors of the Tri-Cities Chamber of Commerce and East Side Manufacturers' Association.

He is chairman of the St. Louis Chapter, American Foundrymen Society, and is a member of the executive board of the Southern Division, Illinois Manufacturers' Association.

Glik, whose firm has offices in Granite City, Madison, Edwardsville, Alton and East Alton, served on the UF Administration and Distribution Committee in 1959 and 1960.

Records at the UF office show employees of the stores have participated 100% in every UF drive and are rated at the top of the Commercial Division.

The 100% participation has continued for eight years.

## Port Authority Board May Act On Bids Tonight

Commissioners of the Tri-City Regional Port Authority are scheduled to meet this evening to consider bids for financial arrangements for the initial construction on its acreage at the Granite City port along the Chain of Rocks canal.

Facilities included in the bids, which were opened April 11, include a 40,000 square foot warehouse, with related truck docks, rail tracks and access roads.

## UF Drive Leaders New Homes Boost GC Building In April

Construction Value Of \$730,175 For Month Is Highest Of Year

Building permits for nine new homes, including six by the T. Wolf Co., pushed the total value of construction in Granite City to \$730,175 during April, a new high for the year.

The previous high was in March when permits, issued by building inspector Earl Bloomquist, contained total values of \$562,397. The total value for the first four months of the year is \$1,454,672.

Granite City Steel Co. accounted for more than half of the April activity with an expansion project costing \$403,982. Other commercial projects included additions to Reese Drug and Belmore Village Shopping Center and a downtown parking lot on 18th street.

The Wolf firm plans four new homes in Lueders Park Estates, including a two-family duplex of 10 rooms at 30 Yale avenue for \$25,000, and two dwellings on Sara street in the Plaza subdivision, containing five rooms each, at a cost of \$29,990.

Other Wolf homes in Lueders Park Estates include a six-room, 1½-bath brick veneer with a two-car garage at 3226 Princeton avenue for \$22,000; a seven-room, 1½-bath with a two-car garage at 3125 Harvard avenue for \$22,000; and a six-room brick veneer at 3212 Harvard avenue for \$21,000.

Permits for other homes were issued to Gary G. Barnstable, five or six additions to 700 E. siding at 2831 West 2nd street, \$71,000; Walter Rapp, brick veneer at 50 Oakdown drive, \$24,000; and Jim Frey, brick veneer home with four rooms, bath and two-car garage at 3415 Maryland, \$21,000.

**78 Permits**  
A total of 78 permits were issued during April, including 10 for new homes, 11 for garages and carports, 10 for remodeling of homes, six for trailers and four for miscellaneous structures. Two zoning permits were issued with a cost of work estimated at \$100. Forty-one permits were issued in May.

A permit for commercial purposes was issued to Brewer Motors, (Continued on Page 15, Col. 4)

## Depot To Hold Open House On Saturday

Armed Forces Day will be observed at the Granite City Army Depot on Saturday, May 18 with an "open house" to start at 10 a.m., ending at 4 p.m.

A community-wide invitation is being extended by Col. John M. Ansley, depot commander, and Granite Cityans to view special events and displays.

Conducted tours of the depot, state displays, a drill demonstration and a retreat ceremony will be a few of the highlights of the day. The state displays will include small arms, field kitchen, the Depot Civil War cannon and a water purification machine shop and a junk yard.

A special attraction will be the annual ceremonial firing of the Civil War cannon. Refreshments will be available at mobile snack bars attended by Boy Scouts of the depot's Troop 85.

## Juke Boxes, Machine Shops Licenses To Give Village An Income Of \$320 A Year

Income of \$320 a year for the village of Ponton Beach is expected with the adoption of ordinances Friday night licensing juke machines and two automatic amusement machines (\$10 a year).

In addition, \$200 annual license fee will be collected on at least two distributors—amusement machines and cigar machines.

Friday night's session was a special meeting called for the adoption of the licensing ordinances. The board met at the Long Lake fire department hall, and about 15 persons were present.

Also adopted was an amendment to Ordinance No. One changing the board's meeting time to the fourth Thursday of each month instead of the second. The next regular meeting will be at 7:30 p.m. on May 23.

## Fischer To Be President Of Ill. Banker Association

Harold R. Fischer, president of the First Granite City National Bank, is due to be elected president of the Illinois Bankers Association at noon tomorrow in Peoria. He will serve a two-year term.

The election will be line of succession as he currently is vice-president. He will begin the term on July 31. The convention opens yesterday and will close tomorrow.

His past offices in the organization include secretary-treasurer, vice-president and president of group 9, a regional division of the IFA. His activities included memberships in the council of administration, and the executive, finance, legislation and membership committees. He is a 1945 graduate of the school of banking at Rutgers University in New Jersey.

Banker Since 1925  
Fischer began his banking career in May 1922, as a bookkeeper in Kewanee, Ill., his first job. He was employed in state bank liquidation work from 1921 until he started at the First Granite City National Bank in May 1942 as an assistant cashier. He became president of the bank in January 1946.

When he started, the bank had total resources of \$443,300. (Continued on Page 13, Col. 1)

## Quadruple-Cities News Briefs

### Rainfall Early Sunday Totaled 1.20 Inch

A heavy downpour early Sunday morning brought 1.20 inch of rain to the Quadruple-Cities area. The gauge maintained by the U.S. Army Corps of Engineers at the Chain of Rocks canal locks.

Accompanied by high winds, lightning and thunder, the downpour flooded streets but only minor damage was reported. Through this morning's gauge reading at 8 o'clock, rainfall at May totaled 1.22 inch, with the 0.2 inch recorded May 5.

### Thieves Steal 10 \$20 Bills At Home; Other Area Thefts

Quadruple-Cities and county authorities received 11 theft reports over the weekend, including a \$200 cash burglary at a Granite City home, the entire whiskey stock stolen from a county tavern and removal of 500 feet of copper cable from a power line.

Theft of ten \$20 bills from a dresser drawer in a bedroom at her home, 2258 Edison avenue, was reported to police Saturday by 30-year-old Lulu Ishum. She said the house was entered between last Tuesday and Saturday and was ransacked.

**Tavern's Whiskey Supply Stolen**  
Leslie's Inn, a tavern at 608 Cambridge avenue, was lost some of its entire stock of whiskey worth several hundred dollars, a burglar burgled between 3 and 11:35 a.m. Sunday.

Quarts, fifths, pints and half-pints of whiskey were stolen from the backbar, from under the bar and from a rear storage room. The burglar, whose name has not yet been made, Proprietor Joseph Lesko told police he had no idea who stole an undetermined amount of money.

Primary purpose of the campaign is for general use toward purchase, repair, renovation and equipment of the museum. Stephen R. Stimson Jr., of Edwardsville, co-chairman of the Granite City Museum, presented a letter and a commentary on the state of the museum.

### 330-Footer Tanker Goes Through Canal, Locks

A 330-foot tanker, enroute from Decatur, Ala., to Chicago, passed through the Chain of Rocks canal locks Saturday evening. Lockmaster Roy Elliott recorded the lockage from 7:59 to 8:19 p.m. (CST).

It wasn't the largest ship to go through our locks, in fact, it was just a routine lockage," the lockmaster said, revealing the 634-foot Marine Argosy that went through the 1200-foot main locks several years ago.

### 'Future Unlimited' Banquet Set Thursday

Junior Achievement of Mississippi Valley Inc. will hold its annual "Future Unlimited" banquet at 8 p.m. Thursday in the main building of the St. Louis arena. About 2000 business and teenage executives will attend, including a large number from the Quad-Cities.

Twenty-one outstanding teen-"Company-of-the-Year" award winners will receive \$500 in college and cash scholarships. They will be presented by "Buzz" Ziegler, an exchange student from West Berlin, who will give his views on the future of America. He was a member of Junior Achievement one year in Quincy.

### Gift Classifications

Gifts will be classified in the following categories: \$1000 and over; Museum Founder; \$500 and over; Benefactor; \$250 and over; Patron; \$100 and over; Donor; \$25 and over, and up to \$25.

The campaign also provides for special gifts—such as renovation of the building, purchase of special equipment, acquisition of period furnishings, landscaping or the support of special programs.

## National DAV Auxiliary Leader Stresses Service

A key to the city was presented to Mrs. Christine Ware, national commander of the Disabled American Veterans Auxiliary, who visited Granite City Saturday evening. The presentation was made by Mayor Davis in front of the DAV hall, 2417 Nineteenth street.

Mrs. Ware, who lives at Memphis, Tenn., was on an official visit, arriving here from East St. Louis, and she spoke to about 30 members of the DAV Chapter and Auxiliary during a dinner given in her honor.

**Visits To Hospitals**  
She stressed the duties of auxiliary members in carrying out the program of the chapter in making visits to hospitalized veterans and families of veterans.

Paul Cooper, DAV Chapter 33 commander, was master of ceremonies. He introduced Mrs. Ware and members of her touring group who included the national membership chairman, Mrs. Helen Hesse of St. Louis, the national sergeant-at-arms and state commander, Mrs. Virginia Teby of East St. Louis, and representatives of DAV chapters and auxiliaries from St. Louis, Chicago and Decatur.

From here, Mrs. Ware returned home to Memphis.

## Robies Inoculations In Mitchell May 20

A rabies inoculation clinic will be held for dogs of Mitchell area residents from 7 to 8 p.m. next Monday at the Richard Paxton garage on Lenox avenue. It was announced today by Joseph Trocadero, Chouteau township supervisor.

The veterinarian in charge is Dr. D. L. Frazier. The fee is \$2.50. Another clinic will be held from 1:30 to 3:30 p.m. May 25 in the South Roxana fire hall.

## Sharp Drop In GC Relief Cases

A sharp drop in relief cases in Granite City township was reported for April by the office of Supervisor Nelson Hagner. The decline was from 136 cases in March to 119 last month.

During April, the assistance amounted to \$3678 for 548 persons, compared to \$10,410 for 467 individuals in March.

In April 1962, there were 178 cases with 344 persons and costs amounted to \$14,385. The cost was due to payment of old medical bills which had accumulated.

Relief costs for the first two months of the current fiscal year have amounted to \$16,088. In the first two months last year the costs were \$26,013.

## 4 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

AUTOMATIC GATES for the new 84-acre parking lot at 18th Street and Edison avenue which is expected to be in operation within two weeks by the Granite City Downtown Shopping Center, the entrance to 18th street, the lot is to be paved, fenced and lighted. Motorists will be refunded the 25-cent parking charge upon presenting their lot ticket at a downtown store or office.

## Extension Of Levee Bond Power

Restoration of the East Side Levee and Sanitary district's non-referendum bonding power is being sought at Springfield by levee board members, who have not yet located a sponsor for the legislation.

Lawrence Tolar, board president, told the Press-Record today that he will go to Springfield tomorrow to seek backing for the plan. The cutoff date for such bond authority would be changed from Jan. 1, 1963, to Jan. 1, 1966, to enable participation in Illinois, Granite City and Niantah township drainage programs, he said.

Recalling that abolition of the levee district's bonding power—except by the approval of voters—could be 25 years or more to accomplish, State Rep. Ralph T. Smith told the Press-Record today that he opposes the proposed alteration of a 1961 law introduced by himself and Paul Simon, now a state senator.

It has been learned that most of the Madison and St. Clair county legislators look with disfavor on the bonding program, which would be financed through property taxes.

**Foresees Strong Opposition**  
Rep. Lloyd C. Harris said strong opposition is expected if the plan is introduced, adding that he is uncertain whether it could be sponsored by any legislators other than those residing in the immediate area.

Tolar said he understands the plan would be specifically limited to the three projects, but Rep. Harris, reached at his home in Quincy, did not recall such limits in the code he read. Rep. Harris, reached at his home in Quincy, did not recall such limits in the code he read.

## Nestle Co. Plant To Be Ready For Production Aug. 1

New construction and reconstruction at the Nestle Co. plant is on schedule and production of instant coffee is to be resumed about Aug. 1. It was announced over the weekend by Howard D. Wellman, plant manager.

Most of the ultra-modern equipment for the making of instant coffee has been received and is being kept in a warehouse at the plant site, 21st and Adams streets, until the new buildings are completed.

"All the walls are up and the roof is on so we're getting ready for the Aug. 1 target date," Wellman added.

**Two-Year Shutdown**

When the plant resumes operation, it will be nearly two years since the tragic explosion on Aug. 10, 1961, when two workers were killed.

At the time of the shutdown of operations, the plant employed about 70 persons. Its new operations, Wellman said, will increase that number to 80 or 100. "Of course, we won't have a work force of 100 on Aug. 1," he added.

Interviews for job applicants are expected to be started in about a month, the plant manager said. Recalls will go out to former employees. "We will announce the date when job applications will be sought," he said.

## Large Crowds See GCHS Crowning, Dance Program

Enthusiastic capacity audiences witnessed "Calendar Capers," 1963 May Day production at Granite City high school Thursday and Friday evenings, and viewed crowning of Miss Arlette Alexander as May Queen.

Her alternates were Misses Marilyn O'Neil and Judy Stegmeyer.

A two-hour program by the girls' physical education department featured Greek folk dances, rope jumping, trampoline and balance beam demonstrations, a baseball routine, marching and drill units, modern dancing, Irish dancers, rope and flag drills, tap dancing, tumbling, stunts, calisthenics, the "bunny hop," sailor and doll routines, and even a variation of the minuet.

Graduating girls, attired in colorful formal, took part in a procession to the auditorium stage, accompanied by the music of the GCHS band. Part of the seniors took part in traditional winding of the Maypole, and the entire class sang "I'll See You Again."

The coronation was carried out by Miss Carolyn McRaven, 1962 Harvest Queen. Frankie Murphy was crown bearer and Judy Dallas Riva and Terry Hawkins were flower girls. Pat Hoshier and Judy White served as pages, and narrators were Miss Becherer, Nona Hobbs, Judy Kerch, Ruth Maxson and Henrietta Toth.

Faculty members playing major roles in the planning were Miss Barbara Kerch, Miss Dorothy Mitchell, Miss Celia Hutton, Miss Jeanne Brewer, Miss Sharon Williams and Miss Wanda Carroll. Others assisting included Principal Lawrence McCulley, Miss Joyce Tennyson, Miss Katherine Kratz, Miss Grace Sewing, Richard Payne, Warren Simpkins and William Bowen.

Student producers included Donna Tenney, Barb Barney, Mickey Vukovich, Andrea Tharp, Teresa Pisel, Judy Loftus, Carol Lene, Judy Schafer and Karen Brown.

**PRELIMINARY PLANS** for Granite City's fund campaign to buy and renovate a 127-year-old Edwardsville home for a county museum being made Friday evening. Seated around the table clockwise, starting from the left—Mrs. William Crovets; Stephen R. Simson Jr., member of the executive board of the county-wide drive committee; Mrs. Simson, co-chairman of the committee for a Madison County Historical Museum; Mrs. Verna Lengyel, Mrs. Emylee Alfard, Mrs. Vernice E. Wortman, Granite City solicitation chairman, and Mrs. Helen McAnally, Standing order—C. E. Williamson (left), member of the museum committee advisory council, and Henry D. Korandjeff, member of the executive board of the museum committee and Granite City finance chairman.

## Townships To Get 'Extreme' IPAC Emergency' Cases

A spokesman for the Madison County Illinois Public Aid Commission office said Friday at Edwardsville that "extreme emergency relief cases in the Quad-Cities and Alton areas will be transferred to township relief rolls."

General assistance fund relief recipients will be involved in the transfers and will get 25% of their basic food allowance from townships.

The transferred relief cases will receive township relief funds, and the townships will be reimbursed when state relief checks finally come through.

The move is being made in Madison and St. Clair counties because of a state legislature deadline on relief funds for May and June. The checks normally are sent out on the 16th of each month.

**Trash Fire Spreads**

A trash fire in an incinerator at Dressel-Yung Dairy Co., Niedringhaus avenue and Adams street, spread to a pile of scrap lumber and stacks of old tires about 7:30 p.m. Saturday. The blaze was extinguished by firemen who said there was no loss.

### William T. Stein, 65, Dies Of Heart Attack

William Theodore Stein, 65, of 2880 Iowa street, died Thursday night at home. He was under medical care for a heart ailment for the past month and suffered a heart attack Thursday night.

Born in Mitchell, he lived in Granite City 50 years. He was a member of St. Peter's & R. Church and of International Hotel Carriers & Building Laborers Union Local 307.

He is survived by his wife, Mrs. Clara Stein; four daughters, Mrs. John (Marilyn) Schill, Mrs. Betty Elmore and Miss Evelyn Stein, all of Granite City; and Mrs. Sandra Arron, Wheaton, Ill.; two brothers, August Stein, Granite City, and Fred Stein, Highland; three sisters, Mrs. Kate Aufderhorde and Mrs. Minnie Segar, both of Granite City, and Mrs. Emma Nunn, St. Louis; and seven grandchildren.

Funeral services were held this morning at a local funeral home. Burial was in Sunset Hill Cemetery. An obituary notice appears elsewhere in this issue.

### Pleads Not Guilty, Hearing Set Friday

Charles B. Hampton, 28, of Collinsville, pleaded not guilty to a charge of failure to yield the right-of-way Saturday and Police Magistrate Andrew Gasparovic set a hearing for Friday.

Hampton was involved in a minor accident at the intersection of East 23rd street and Namecki road on Thursday. His auto was involved in a crash with an auto driven by Mrs. Vivian A. Calender, 24, of 2337 Terminal street, in the middle of the intersection. Both had halted for stop signs.

### Kitchen Window Damaged

Francis Baldwin, 2901 Harding avenue, reported to police about 10 o'clock last night that two holes had been shot in a kitchen window at his home, either with a pellet or BB gun.

### Plan Commission Oks R-5 Zoning For Nursing Home

Unanimous approval was given Thursday afternoon by the City Plan Commission for an R-5 multiple dwelling unit classification for a 5.38-acre tract along West Pontoon road where the Tri-City Development Corp. plans a 78-bed nursing home.

The commission met at the city hall with E. G. Schmitt, vice-chairman, presiding in the absence of Chairman David Morgan.

The Plan Commission's decision will be presented to the city council for approval, and the R-5 zoning designation hinges on annexation of the tract to the city. Schmitt explained areas to be annexed to the city automatically are zoned R-1 for single dwelling units, and that a change to any other classification must be approved by the city council.

### Change On Grand Ave.

The commission by a vote of seven-tyone approved a "B" business classification for a vacant lot at 2138 Grand avenue, where J. C. Rant Bottling Co. plans to erect a warehouse. The change from an R-5 residential classification for the 37½-foot lot is subject to approval by the council.

Informal discussions were conducted for two other zone changes and referred to a subcommittee for field inspections. A change from C-1 to C-2 commercial zoning is sought for a vacant lot at 24th street and Washington avenue; and a change requested for a vacant lot at 27th and Iowa streets is from R-2 single unit residential to R-5 multiple dwelling unit or C-1 commercial.

The subcommittee is to present recommendations to the full commission before hearings are conducted.

### Ruth Ann Nichols, 8, Undergoes Amputation

William Nichols, who operates a fish net business at Horseshoe Lake, left Friday for New Orleans, where his eight-year-old daughter, Ruth Ann, underwent surgery for removal of her right foot.

The girl, a third grader at Madison's Harris school, went to New Orleans last week for treatment of a cancerous growth to her foot, but it was decided the amputation was necessary.

Nichols said the operation was performed at Southern Baptist Hospital.

She is recuperating nicely and should return home in about a week or 10 days, the father said.

Ruth Ann is the Nichols only child.

## Miss Darlene Moreland And James Alan Eppers Are Wed

Miss Darlene Moreland, a daughter of Mr. and Mrs. Clarence W. Moreland, 1157 Hollywood Heights road, Caseyville, formerly of Venice, and James Alan Eppers, whose parents are Mr. and Mrs. Fred S. Eppers, of Normandy, Mo., were married Saturday evening at the Venice Methodist Church.

The ceremony was performed at 7 o'clock by Rev. Buddie Johnson, church pastor, assisted by Rev. Billy Hahn of Collinsville. A reception was held directly afterward in the church dining hall. Preceding the service, Barbara Johnson sang "The Wedding Prayer."

For her wedding the bride selected a ballerina-length dress of Chantilly lace. It was made with a smooth fitting bodice, featuring a square neckline and long sleeves. The bride held a white Testament topped with a white orchid and lilies of the valley. The only attendants were Mrs. Neil Take, a cousin of the bride, and Dennis Ray Eppers, the bridegroom's brother. Mrs. Take, in an orchid organza dress, carried a bouquet of maize Maes-tic daisies.

The newlyweds will live at 206 St. Louis road, Collinsville. The former Miss Moreland attended the Venice high school and was a student at Illinois State Normal University for two years. She is employed as occupation service representative by the Illinois Bell Telephone Co. Mrs. Eppers is a graduate of the Normandy high school. He is employed in St. Louis.

## AAUW Meeting At Shaw's Garden, Indonesian Dinner

The Granite City branch, American Association of University Women, met Thursday evening at the Missouri Botanical Garden (Shaw's Garden).

An Indonesian dinner was served to 38 members and guests in the flower display house and the preparation of the food was described by the chef, a native Indonesian.

During a business discussion after the dinner, Mrs. Leonard Oram, president, introduced the new officers who have been named to two-year terms. They are Mrs. Alfred Pape, president, and Mrs. Harold Matson, secretary. Both are to assume their duties in July.

Mrs. Margaret Barker, program chairman, introduced Dr. Edgar Anderson, who later conducted the group on a tour of the Clinington. Dr. Anderson has held a succession of posts at the Missouri Botanical Garden where he is now curator of useful plants. He is also Engelmann professor of Botany at Washington University.

Dr. Anderson has traveled widely in England for study; to the Balkans for heavy strains of ivy, yew and box; to Mexico and Guatemala to study native varieties of maize; and to Honduras where he set up a small experimental plot for the study of ancient and modern crop plants.

## GC's Hiles Qualifies For State Meet In 2 Events; Hurdle Marks Smashed

Alton's Andy Johnson turned in two fabulous performances in the hurdle events Friday night at East St. Louis to lead the Redbirds to an easy team victory in the IHSAA district track and field meet, run at Parsons Field.

Joining the individual and relay qualifiers for the state finals in Champion next weekend was Granite City's Joe Hiles, who set a GCIS record in the shot put and easily surpassed the required distance in the discus, although he finished second in both field events.

Hampers by a sprained finger on his throwing hand, Hiles nevertheless reached 54-0 1/2 in the preliminaries of the shot put to establish a school standard, breaking his own mark set earlier this year.

And Hiles reached 135-8 in the discus finals, where he was nipped by 1 1/2 inches by winner Bob Hoskins of Edwardsville.

Hiles' total of nine team points, the Warriors' mile relay team finished fifth in the finals, but did not come in quite enough to qualify for the state meet.

Johnson, in top form, won the 300-yard low hurdles in an amazing 14.1, one-tenth of a second below meet record, and also took the 180 hurdles in the time of 18.1. Both efforts were easily new records in district competition.

Robertson Wins Dash  
Roxana's highly-touted sophomore sprinter Randy Robertson also lived up to advance billing. He won both the 100 and 200 yard dashes, tying the district record in the 100 with 15.4, and won the 200 with 32.7.

High Jump—Ardell Ware (L), Rich Swift (A), Terry Cole (S), Calvin Boyd (V), and Bill Colligan (Assmpt). Bill Deal (E) and Paul Tate (C) tied for fifth, 6'0.

Broad Jump—Bill Stein (Cen), Bruce Davis (L), Wayne Henderson (E), Bill Edwards (A), and Don Wyatt (A), 22-3 1/2.

Pole vault—Norman Barlt (Cen), Mike Roache (Mas), Paul Schmitt (A), Jim Jones (B), and George Olson (E), 12-6.

Shot put—Paul Economides (A), Joe Hiles (GC), Dave Way (A), and Don Wilson (WMA), 54-0 1/2.

Discus—Bob Hoskins (A), Joe Hiles (GC), Paul Economides (A), Bill Schmidt (C), and Bob Borecker (A), 135-8 1/2.

First Granite City Junior High Track Meet Is Wednesday  
Granite City Junior high school athletes will compete Wednesday evening in the school system's first junior high track and field meet, at Granite City High school.

Field events, scheduled on seventh, eighth and ninth grade levels, will begin at 5 p.m. at the GCIS athletic field.

Running events are scheduled to get underway at 5:45 and will include seventh, eighth and ninth grade relays.

Seventh and eighth graders will compete in the 50-yard dash and ninth graders in the 100-yard low hurdles (B).

The meet is scheduled to be an annual spring event. Since this is the first of its type to be held, all winning times Wednesday will be recorded as meet records.

Ribbons will be awarded to place winners on all grade levels. The meet is open to the public free of charge.

# Cahokia Wins MWC Baseball Title, Downs Madison 10-5

Cahokia won its third Midwestern Conference sports title of the school year Friday, defeating Madison 10-5 in a baseball contest at Cahokia which enabled the Comanches to complete the MWC season with a 9-1 record. Madison, which had a chance to tie for first, finished second in the standings with a 7-3 mark.

Winner Leary Lantz pitched five-hit ball, collected three hits himself and drove in two runs for Cahokia, but a decisive factor was an error-filled sixth inning when the Comanches scored six runs on only three hits.

Four Madison runners in that frame opened the gates. The Trojans, who were scheduled to play Collinsville in the Granite City district tournament here this afternoon, got off to a good start Friday.

3-0 Lead In First  
A pair of walks, singles by Nick Podoba and Sam Dumas, a stolen base by Podoba and a fielder's choice gave the visitors a 3-0 lead.

But Cahokia tied the game in the bottom of the first on two walks, a sacrifice and back-to-back singles by Bob Geppert and Lantz. The winners went ahead for good with a single run in the third on doubles by Burt.

Trailing 10-3 with two out in the seventh, Cahokia came through with hits after losing pitcher Mike Dillon and Tom Labak had walked.

Prather, Coolidge  
Are 3rd And 5th In Invitational Meet  
Wood River topped the field Thursday afternoon, winning the Roxana invitational night grade track and field meet in which 120 points separated the first five finishers.

Prather JHS of Granite City, with the Braves missing a chance to win the trophy, finished second with 104 points.

Coolidge Wins Title  
The Chiefs took three firsts, two of them by Len Reville, who won the 100 and 200 yard dashes. The latter in the good time of 55.2. Prather's 440-yard relay team, consisting of Wendell Williams, Leo Nighoshian and Reville, topped the first-place for the Chiefs.

Prather's second performer was vaulter Dean Bradburn, who set a school record when he cleared the bar at 10-4 to win the event.

Other Coolidge point scorers were Willis Farley, second in the shot; Doug Richards, who finished in a three-way tie for second in the high jump; Mike Forcace and Lee Cooper, third and fourth in the 800; Mike Anderson in the 120 low hurdles; and fifth-place finisher, Jim Parker in the discus. Larry Anderson in the 120 low hurdles (5) and Ken Weaver in the 100.

Prather placed included Gary Johnson, second in the discus and fifth in the shot; Nighoshian, third in the broad jump; Mike Forcace, fourth in the 120 low hurdles (5); and Williams, fifth in the 220.

Team totals: Wood River, 233; North (Collinsville), 22; Prather 25; Edwardsville 24; Coolidge 23; Cahokia 16; Beloit 15; Litchfield 15 (tie); Roxana 11 and Highland 4. Trophies went to the first three teams and relay winners.

# Papp Whiffs 17, Hits Grand-Slam As Warriors Top Edwardsville 8-4

Granite City high school hurler Charlie Papp, who has the reputation for following a 40-0 mound performance with a good one, came up with a dandy Friday night at Edwardsville.

Papp hung up 17 strikeouts and belted a grand-slam homer as the Warriors defeated Edwardsville 8-4 in extra innings to grab a share of third place in the Southwest Conference baseball standings.

It was the final SWC contest for both teams, with the Granite City team enabling Coach Joe Felt's team to tie the Tigers for third place. Both clubs had 7-5 records in league play.

Papp's smack, which cleared the high right field fence with Marty LeVaut, Bob Fanning and Larry Dillard aboard, came in a volatile eighth inning which saw 10 of the game's 12 runs scored.

Edwardsville scored one in the seventh on Reid Venable's two-run double after Papp had walked Gary Campbell. Granite City tied the score in the top of the eighth when Terry French

valued with two down and LeVaut and Ketter followed with singles.

1-1 Tie After Seven  
Papp and Daube, who relieved CHS starter Dave Bopp in the fifth after Coach Dick Hutton decided to save Bopp for district play, retired the sides without damage in the fifth, sixth and seventh, necessitating extra innings.

The Warriors splurged with seven big ones in the top of the eighth. Singles by John Hoffman and Bob Karandjeff set up Terry French who belted the longest drive of the night, a seven to the evergreen, rounding the flagpole in dead center.

The Tigers then tried to cut down French at the plate on LeVaut's grounder to third, but the play was wild. Fanning and Dillard crashed walks off of Daube and Papp hit a Daube pitch far over the high fence in turn for four runs and the first lead of the top of the

inning. The Warriors ended their regular season here Saturday with a double victory over Springfield Lamplighter, giving GCIS a 17-8 record. The club enters the district tournament against Roxana tomorrow.

Terry Koffahl went the distance in the first game at Wilson Park, pitching three-hit baseball and picking up the 8-4 win.

The Warriors bunched eight of their 11 hits in the third and fourth innings to score all eight runs. Three singles, a sacrifice, pair of walks, stolen base and a Lamplighter error got four across in the third.

Four base hits and Bob Karandjeff's double scored four more in the fourth. Koffahl, lost his shutout when Springfield scored four times in the seventh. He struck out 12 and walked five. Glen Hoffman led GC at bat with three hits.

John Love and Pat Harris combined to pitch a 2-6 shutout in the eighth. Although Lamplighter hit the Warriors 4-3, three walks and an error by the Warriors' first runner in the opening inning.

At Taylor's single, Larry Dillal pitched a walk, passed ball and Joe Hauptman's RBI single made it 2-0 in the sixth. The Warriors pitched the first four innings and was the winner. The sweep of the Saturday triumph brought Granite City into the district tourney on a five-game winning streak which started on the 5-1 win over Alton and came on the heels of a five-game losing skid.

Perry Tayon, who worked the first six innings for the Warriors, picked up the pitching victory. Tommy Williams went all night for Madison, giving up nine hits and walking 10.

Singles by Glen Hoffman and Bob Ketter, sandwiched around the first of six Madison miscues, put two GCIS runs home in the first. Two walks and another error let two Granite City's third run in the second.

Tayon walked and came home fourth, but Lee was thrown out at the plate trying for a home run.

Runs In Late Innings  
Two walks, Bob Karandjeff's single, two more Madison errors and a passed ball got three Warriors runs home in the sixth, and three straight singles by Hoffman, Ron Yates and Bob Fanning, after two walks led to Granite City's final two markers in the seventh.

Madison scored once in the final benefit of a hit on a two-base throwing error, and then got another run in the third on Tom Labak's triple and a fielder's choice.

The Trojans went ahead 5-4 in the fifth on Mike Dillon's single, two GCIS errors, a fielder's choice and Sam Dumas' ace.

Base hits by John Onsky and Gary Burns and a Warrior throwing error on an attempted pinch hit, got second got MIS's final marker home in the sixth. Granite City 2-0 1-8-2-9-8-3. Madison 1-0 1-5-1-6-2-7.

# Schuler's Pinch-Hit Homer In Ninth Boosts Hearts To 5-4 Win Over Collinsville

McKeehan got his fourth hit in the top of the ninth and, after Gavillet had struck out the next batter, Schuler pinch-hit for the game-winning home. John Rains pitched the complete game victory.

Merger Rained Out  
Rain made small 1-C diameter of Schuler's homer was called off. Mercer Fanning and Carpenter were scheduled to pitch the game as part of a double-header on Saturday.

St. Clair Heights (4-0) rolled along with a 4-1 win over Maryville yesterday as Dick Dillingham threw a four-hitter at Red Sox.

The two-fifteeners came up with their first win against Troy, scoring seven runs in the bottom of the fifth on the way to an 8-6 decision. And defending champion Pochantons made it in the top of the sixth on a 5-1 victory over Moose Lodge of East St. Louis.

# Redmen Take Poorly-Played Contest From Madison, 9-6

Granite City put a nine-hit attack together with six Madison errors and 10 bases on balls Thursday to hand the Trojans a non-conference district baseball defeat on the losers' diamond.

Neither club played up-to-par baseball, with 10 of the game's 15 runs of the unearned variety. At least one marker came off the plate in the top or bottom of every frame in the seven-inning contest.

Perry Tayon, who worked the first six innings for the Warriors, picked up the pitching victory. Tommy Williams went all night for Madison, giving up nine hits and walking 10.

Singles by Glen Hoffman and Bob Ketter, sandwiched around the first of six Madison miscues, put two GCIS runs home in the first. Two walks and another error let two Granite City's third run in the second.

Tayon walked and came home fourth, but Lee was thrown out at the plate trying for a home run.

Runs In Late Innings  
Two walks, Bob Karandjeff's single, two more Madison errors and a passed ball got three Warriors runs home in the sixth, and three straight singles by Hoffman, Ron Yates and Bob Fanning, after two walks led to Granite City's final two markers in the seventh.

Madison scored once in the final benefit of a hit on a two-base throwing error, and then got another run in the third on Tom Labak's triple and a fielder's choice.

The Trojans went ahead 5-4 in the fifth on Mike Dillon's single, two GCIS errors, a fielder's choice and Sam Dumas' ace.

Base hits by John Onsky and Gary Burns and a Warrior throwing error on an attempted pinch hit, got second got MIS's final marker home in the sixth. Granite City 2-0 1-8-2-9-8-3. Madison 1-0 1-5-1-6-2-7.

## Miss Catherine Doherty And Ens. Edward Koch Are Wed.

Seven Holy Founders Roman Catholic Church in Affton, Mo., was the scene of the wedding Saturday of Miss Catherine Doherty, a daughter of Mr. and Mrs. Damon M. Doherty of Affton, and Ens. Edward Francis Koch, U. S. Naval Reserve, a son of Drs. Joseph and Felicia Koch of this city.

The Rev. Joseph Lawler, pastor of Queen of Peace Church in Belleville, officiated at the 12 o'clock ceremony.

The church decorations were concentrated at the altar where large bouquets of white spring flowers were backed by palms and ferns. Burning candles in candelabra lighted the sanctuary for the Nuptial Mass.

The bride gown was fashioned of white peau de soie and trimmed with lace and pearl applique motifs. The bodice featured a scoop neckline and long sleeves and the skirt ended in a chapel train. A bouffant tulle veil was attached to a crown of crystals and pearls and white erisols, roses and lilies of the valley were combined in the bridal bouquet. Mr. Doherty gave his daughter in marriage.

Miss Elizabeth Koch, the bridegroom's sister, was maid of honor, serving with two sisters of the bride, Misses Mary Maureen Doherty, bridesmaids, and another sister, Miss Frances Doherty. Flower girl who made her first communion during the Mass.

The girls were dressed in short dresses of peau de soie with tight bodices and short sleeves. Headpieces of peau de soie and net matched the colors of the dresses. The honor attendant wore lavender, Miss Mary Doherty was in yellow, her sister wore

blue and the little flower girl appeared in green. The older attendants held bouquets of flowers in the same colors as their dresses, while the flower girl carried a basket of assorted spring blossoms.

For her daughter's wedding Mrs. Doherty selected a dress of pink satin and lace with a matching hat and accessories. Dr. Koch wore a beige tuxedo trimmed with lace and a beige hat and accessories. Both had orchid corsages.

Robert Koch was his brother's best man, and Lance Chills, Dan Brown, Loren Davis, Anthony Jennewein, a brother-in-law of the bride, John Doherty, a brother, and Jack Auer, made up the groomsmen and usher corps.

The wedding reception was held at Lemmon's in St. Louis and the newlyweds left later for a short honeymoon trip. When they return they will go to Long Beach, Calif., where Ens. Koch is stationed with the U. S. Naval Reserve.

He is a graduate of Western Military Academy and Notre Dame University and has spent the past 18 months in the Navy. His bride graduated from Xavier School for Girls in St. Louis and attended Belleville Junior College in Belleville.

## Students Interested, Encouraged By April GC Election

The April 2 city election has been termed "one of the most spirited in years" in a study completed by 67 senior students of Granite City high school as part of their course in government. They concluded that "the voting booth is a great equalizer" and "every vote counts."

An analysis of the students' reports also showed these principal conclusions:

1. Although the 65% turnout indicated intense interest, about a third of the voters failed to exercise their privilege and responsibility.

2. Factors most significant to citizens were records of the incumbent officials up for election and the city garbage, pollution, drainage program, city engineer fees, pollution engineer fees and water fluoridation.

3. In a struggle for control between "the city hall crowd" and "the outs," good points of the various candidates received least emphasis. Some officials with long and positive service were "victims of election propaganda."

4. The Press - Election gained added stature as a means of keeping the public informed and as a model of public opinion on issues and candidates. Factors cited as effective were endorsements, a "box score" of voting records, campaign articles, candidates and election advertisements.

5. The Forum column for letters was a "helpful sounding board." Some students felt that all writers' names should have been used, with greater proof required of the validity of their accusations.

6. The Forum column for letters was a "helpful sounding board." Some students felt that all writers' names should have been used, with greater proof required of the validity of their accusations.

7. Public opinion prevailed, with seven new council members elected. Only time will show whether the decision was positive or negative.

8. The task of the citizen-voter has not ended, Granite Cityans should not sit back and merely let events develop. They should attend council meetings, keep up with the issues and remain in close contact with their elected representatives.

Did the students "practice what they preach"? Yes, it was learned from their instructor, Albert S. Lewis, 139 Briarcliffe, GCIS civics and American history teacher.

Much Spare Time Used  
Members of two classes devoted extensive spare time to the project in February and March and also utilized class room time as the voting date drew near. They interviewed candidates, attended council meetings, collected campaign data, attended rallies and then visited polling places on the election day.

Many of the students showed ingenuity in their methods of

compiling election scrapbooks, which came in all shapes and descriptions—some bound into book form and some featuring campaign posters covers, polling places, committee and the party officers locally, statewide and nationally were listed. The class members prepared collections of newspaper clippings and campaign materials, reviewed competing candidates' stands and reasons for running, and analyzed the election results.

Some Disillusioned  
While textbooks, lectures and other classroom activities were included in the instruction, the study project is regarded as especially valuable experience for the students. Some of them experienced initial sensations of disillusionment in comparing theory with actual practice, but ended with a reasonably mature and realistic viewpoint, Lewis believes.

A similar study last year dealt with the primary election for county, state and federal nominations. A Press-Record article on the 1962 program has been reprinted in various educational publications as an example of practical instruction on government, and instructors from many parts of the state and nation have corresponded with Lewis to learn about the techniques utilized.

Most Candidates Sincere  
In this year's interviews, the students generally were impressed by the "sincerity, honesty and civic interest" of the candidates, who were willing and eager to discuss the issues with them. A few went into detailed explanations of local government, its most pressing problems and their solutions.

The "ins" principally stood on their experience and records, while the "outs" stressed the need for a change in the handling of city matters.

Other points cited by incumbent officials were their stand on fluoridation, their handling of complaints and requests from constituents, and efficiency and quality of municipal services, improvements within the ward and city, the need for sewage treatment, and plans for further progress and completion of current programs.

City "Returned To People"  
Comments by those seeking initial terms included an interest in giving city government com-

Central Burglar Alarm System Proposed In GC  
Proprietors of stores and offices downtown Granite City are being advised of a proposal for a central burglar alarm system with electronic machines and central warning board at the police headquarters.

The project is being proposed by the Downtown Granite City Shopping Center, and a meeting is set for 2 p.m. Wednesday at the YMCA to outline details. Officers of the downtown organization point out the system can be set up at a fraction of the cost now charged by commercial firms offering the service.

Cattle Grazing Barred On Diverted Acreages  
Farmers should prevent cattle grazing on 1963 wheat and feed grain diverted acreages until Nov. 1, 1963, the Madison county agricultural stabilization and conservation service warned.

Otherwise, the farmer will be ineligible for all program benefits, including diversion and price-support loans on feed grains and wheat, the county office said.

viewer, the importance of carefully examining the work of public officials in order to vote intelligently.

"I did not appreciate until now the time, effort, money and techniques of campaigning."

"This has been a great deal of work, but I feel I learned many valuable facts about the men running for office. It is a good idea for graduating seniors to have this experience."

"Fascinating to learn the inside of the conduct of an election."

"Never before understood city government and politics. Never realized the important role of our local newspaper in informing the people on the issues."

"Surprised in talking to candidates that the image of them in newspapers and in rumors were altogether different. I believe that the council attempted to honestly serve the people."

Voluntary Election Aid  
"It was a significant learning project. I'm happy that one candidate was able to win with only a minimum expenditure. I learned that neighborhood friends can assist a candidate by volunteers help through printing and distributing election materials, coffee klatches and personal calls."

"I enjoyed this experience, particularly the interview with a candidate who aptly stated that only the people can assure good government—by exercising their rights under the American heritage and supporting good government candidates for public office."

## State Investigates Fish Kill At Lake

Investigators of the state conservation department and sanitary water board visited Horseshoe Lake again last week to determine the number of fish killed a few days earlier.

William Nichols, who operates a fish net firm along the south end of the lake, estimated thousands of carp and catfish were killed in the area extending from the levee district ditch outlet for Granite City to the Horseshoe Lake Road and Gun Club.

Nichols said he was told by the investigators that fines would be assessed for pollution of the lake as in the past. Several fines have been assessed against Granite City Steel Co. Nichols pointed out.

Boy Drinks Kerosene

James Baker, two-year-old son of Mr. and Mrs. Thomas Baker, 704 Twenty-eighth street, was admitted to St. Elizabeth Hospital at 5:45 p.m. Thursday after he drank an unknown amount of kerosene. He was coughing and had difficulty in breathing. His stomach was pumped.

DAVID JOHN, president-elect of the Granite City Optimist Club.

### Optimists Elect David John As President

David John, local realtor, is president-elect of the Granite City Optimist Club. He and other officers to be installed next month were named during Thursday afternoon's luncheon meeting at the Elks Club.

The other officers are Don Z. Farrington, outgoing president, who will be vice-president; Robert Bravo, secretary; Fred Werner, treasurer, and the following directors: William Harris, Maurice Dailey and George Reeves.

The program was presented by H. D. Karandjoff, aided by Harry C. Wood and James O'Connor, U. S. Treasury Department savings bond division officials. They showed two films on U. S. Savings Bonds—"Road to the Wall" and "Share in America."

A national savings bond program now under way was explained to the Optimists. It is the goal of the Treasury Department to sell a \$25 bond to each household throughout the country before July 1.

Barry Loman was a guest.

### Will Report On Governor's Conference In Chicago

Mrs. Lila Poston and Mrs. Betty Mandrell of Greiner Homes in Madison will report on the results of the 62nd annual Governor's Conference on Youth which they attended in Chicago the past week at a meeting of the Greeneche Activity organization to be held at 7:30 p.m. Thursday at the Greaser Homes Recreation Hall.

Mrs. Poston and Mrs. Mandrell served as delegates to represent the Greeneche Activity Organization of the Greaser Homes. The public is invited to attend Thursday's meeting.

MRS. JESSIE LEBOLD O'DAY, who has just finished more days at her desk in the fourth grade classroom of Venice grade school before she retires at the end of the term. She has been a teacher 44 years, including 43 with the Venice system.

### Fond Recollections

## Mrs. O'Day To Retire; 44 Years Of Teaching

Mrs. Jessie Leibold O'Day plans to retire after teaching 43 years in the Venice grade school and one year in a rural school. She has been in the Venice school system longer than any employee, teacher or board member at the present time.

With the exception of seven years, Mrs. O'Day has spent her entire life in the Venice schools. She entered the first grade in the fall of 1907 and finished the eighth grade in 1915. There were no graduation exercises at that time for the eighth grade.

The board of education felt that graduation might keep the pupils from going on to high school. The high school was just getting started in those days and didn't have many pupils.

Mrs. O'Day entered high school, which was still being conducted in the old grade building, in September 1915. In March 1918, the high school classes were moved to the new building, which was not quite complete at the time.

Six Graduates  
On May 29, 1919, Mrs. O'Day was graduated with five other students. Miss Moore Gresham and Miss Clara Rebus, both currently teaching in local schools, were in the class.

Mrs. O'Day said that getting through high school had been a hard struggle—getting shoes, clothes and textbooks was difficult. Getting through high school then was about as difficult financially as going to college is now.

However, when a person finished high school, he was considered well-educated, she said, because most people only had an eighth-grade education or less in those days.

Going to school then was much different than it is today. "You went to school at 9 in the morning and remained until 4 with no break except lunch hour. You went to school to study and that was about all. There were few parties or good times."

Free Lemonade  
It wasn't until the last two years of high school that Mrs. O'Day's classes had a few simple parties and class plays. She remembers that the most thrilling experience for the kids in the early days was the school picnic and Maypole dances that were held on the school grounds.

There also were races and contests for prizes. And free lemonade.

"How delicious that lemonade was," she said. "It was made in great wooden tubs with huge hunks of ice in it, and it was free."

After graduating from high school, Mrs. O'Day said she took a teacher's examination at

style for boys to wear blue jeans and the girls skirts and blouses. Tennis shoes were worn frequently.

"In the grade school, Mr. Baxter, the principal, had all the pupils bring their outgrown clothes to school. These were kept on racks in the office, and when a child needed a cap or coat, he went to the office and was fitted out with someone else's coat or cap."

"It was hard, though, to get clothes for the very young or the oldest pupils. Shoes were a big problem. The teachers brought all the clothes they could find or beg to help out."

"At this time the hot-lunch project was begun. For 15 cents a week, a child could get a hot lunch which usually consisted of soup, chili, stew or beans."

### Classes In Legion

"Another year I remember very distinctly was when I taught departmental work from the fourth grade through the eighth. This was really something. It was the only term when I often had to go to school in the morning. Thereafter, I went back to teaching fourth grade again and was glad to do it."

"Another year I shall always remember," she said, "was the

year we taught in the American Legion building while the new school was being built (September 1938 to May 1939).

"I had 38 pupils crowded into one little back bedroom, with only a small table for a desk and one single blackboard. That was really teaching under the most trying conditions."

"I had a dreadful time trying to cope with one little boy who wouldn't do his arithmetic. He wished that he'd one day become a teacher, and that is just what he has been for a number of years now."

During these years, Mrs. O'Day was not only teaching but going to summer school and night school and working toward a degree. After earning about two years of college work at Harris Teachers College in St. Louis, she enrolled at Illinois State Normal University and received her bachelor of science degree in 1946.

### Weds In 1948

In December 1948, Mrs. O'Day was married to Conrad O'Day, but continued with her teaching career. She was known as Jessie Leibold so many years that it was difficult for people to call her "Mrs. O'Day."

People often ask Mrs. O'Day if her pupils are more mischievous today than they were 40 years ago, and she always says, "Children are children, and boys and girls today are not any worse than they were then."

"However, children today seem to have less respect for their teachers and are not as polite. They don't fight as much as in the old days but are less prone to do their work."

Now Mrs. O'Day, after 44 years, has decided to stop aside and let a younger teacher take her place. But she may do some substitute work next year. She remarked that she has so many persons to be grateful to.

First, her parents, who sacrificed much to send her to school; the many different school boards who always saw fit to give her employment; the many teachers who have been her friends through the years; and the parents who have usually been kind and cooperative.

Many of Mrs. O'Day's pupils for the last 20 years are the children of her former pupils. Mrs. O'Day says she regrets most of all to leave her boys and girls who have always given her much pleasure and affection. "Many of my former

## Emphasis On Careers During Hospital Week

"Hospital Careers" is the theme of this year's "Hospital Week" observance at St. Elizabeth Hospital.

In keeping with the theme, high school honor students will be given an opportunity to perform a variety of jobs at the hospital.

Hospital Week displays also are being featured in the wing of Illinois Power Co. and Graham's Book store at N. 18th and Delmar avenues.

**Nurse Caps Display**  
A display of the types of nursing caps of all nursing schools represented among the nurses serving at the hospital will be in the main lobby of the hospital along with an organization chart with pictures of personnel at work.

Nurses will be honored on Wednesday with an alumni tea at 7:30 p.m., and on Thursday, the doctors of the staff will be honored with a buffet supper at 6 p.m.

A group of 35 employees will receive five to 25-year service award pins in a ceremony to be held at 1:30 p.m. The pins will be presented by Dr. Irvin Wiesman, chief of the staff.

Arrangements for the week's observance were prepared by the Employee Advisory Committee.

**Arrangements Committee**  
The committee members are Betty Cash, Anna Marie Crouch, Keith Pryor, Pauline Sternberg, Marian SanSoucie, Russell Boner, Betty King, Mike Theiss, Dolores Schweitzer, Bernard Finney, Sister Mary Thomas, Ray Hanlon, Ruby Voss, Evelyn Smith, Nina Croell, Edna Wallace, Steve Asperger, Glen Moore, Dorothy Neupert, Betty Hamilton, Hazel McDowell and Virginia Frey.

During the week, the Sisters of Divine Providence are rendering Quad-Cityans the assistance rendered by the Citizens' Advisory Board.

**Advisory Board Members**  
Its members are William Brodus, president of Brodus Machine Co., Ernest A. Karand, president of Granite City Trust & Savings Bank; William A. Beatty, attorney; M. Freeman Wolfe, president of M. H. Wolfe & Co.; Anthony E. Michel, Michel Jewelry & Gift Shop; Milton M. Morris, Milnor Manufacturing Co.

Joseph W. Glik, president-treasurer of Glik's Department stores; Howard Kaseberg, farm manager; Robert Edmonds, industrial engineer for Granite City Steel Co.; William Hoelscher and G. W. Hoelscher of the East Side Manufacturers Association; Austin Witter, accountant at General Steel Industries.

Sidney L. Aubrey, vice-president of Mercantile Mortgage Co. and Rainford Agency, Inc.; Gene Christy, Granite City Steel Co.; James Harsh, accountant, Union Star & Refining Co.; Christ Kaculoff, Chris Kaye Plastic Manufacturing Co.; Roy Logan, General Steel Industries and trustees of the Tri-City Trades & Labor Council.

Mrs. Mae Lueders, 2608 Cleveland Blvd.; Carl A. Rant, president of J. C. Rant Bottling Co., Inc.; Milton G. Reinhardt of the Reinhardt Agency; and Harold U. Thomas of the special services division of the Granite City school board of education.

### Motorist, 15, Arrested

An underage motorist, 15-year-old Gene Duvall, 2804 West 20th street, was arrested early Sunday morning by Granite City police at 23rd and State streets on charges of running a stop sign and operating a motor vehicle without a driver's license. He was released on \$27 cash bond.

## How To Spot A Counterfeit

By ELMER A. HURRY

Cashier—Granite City Trust and Savings Bank

Got a dollar bill handy? If you do, get it out of your wallet and give it a good look. It might be counterfeit.

Most likely it's an honest piece of work from the Bureau of Printing and Engraving in Washington; but there's an outside chance it could be phony. We trust our Treasury Department and its ability to keep our dollars reliable. Without that confidence, our economy would crumble tomorrow. And because faith in our currency is the backbone of our nation, it's our duty to protect it.

Jobs and our futures, it deserves vigilance from every citizen. Don't just glance at the money you give and take; focus on it once in a while. And use these check points. Here's what you'll see:

**HURRY**  
The printwork is pinpoint sharp. Take Washington's trait on the one-dollar bill. Stare at it and George will stare back. An eerie feeling, but comforting. The bill is probably genuine. Behind Washington's head, there is a precision window, each tiny line perfectly spaced and sharp. You have to have Uncle Sam's head etched in your mind to buy the machinery and professional talent that can produce that level of perfection.

**NOTE:** For financial assistance or banking service, you are cordially invited to consult Mr. Hurry or any of the other officers at Granite City Trust and Savings Bank, 1909 Edison Avenue. Hours: 9:00 to 2:00—Monday thru Thursday, Friday 9:00 to 1:00 and 4:00 to 7:00. Telephone—Triangle 6-1212

There is a definite "feel" to a genuine bill. It suggests thickness, suppleness, and above all, strength. A bank teller's fingers can sense a counterfeit instantly, just as a tailor judges poor material. If a bill feels thin and brittle to you, take a closer look.

Fast. I always recommend, especially if Lincoln or Hamilton look a little sickly or fuzzy that you check the seal, the silk fibers, and the scrollwork—in that order. It's even more urgent if Andy Jackson appears that way, because you're looking at a twenty-dollar bill.

The seal should be perfectly new-toothed, with not one tooth missing, jagged or bent. Red and blue silk fibers should be visible where the paper is white, although these small lines may take some scrutiny on an old bill. The scrollwork must be delicate and precise. If you have all this, your money is good.

If you come up with a counterfeit, you'll have to face one hard fact of life: you're stuck with it. That is why it's a good idea to look at some of the check points we've mentioned at the time your bills are passed to you.

The first thing to do is to try to remember where you got the bogus bill, and then surrender it with all the information you can supply to the Treasury Department or to a bank. It will almost certainly be part of a mosaic that will catch a counterfeit.

Counterfeiters are not the harmless, distant breed of criminal we often picture them. They are thieves, simply that, and you and I are their intended victims.

## Eagles Lodge Holds Annual Program To Honor Mothers

The annual Mother's Day program of the Eagles Lodge was held Sunday afternoon. Hubert Hennrich, Aerie secretary, gave the address of welcome and Jack Lebow served as master of ceremonies. Introduced boys from Concordia Lutheran Church gave several interpretative dances. The Auxiliary mother, was introduced and presented with an orchid corsage.

Mrs. Buehler and Mr. Hennrich served as co-chairmen for the event, and Miss Sylvia Roy and Mrs. Frances Steinman presided over the tea table in the downstairs club rooms.

## DeMolays Place Second In Degree Team Contest

The Granite City DeMolay Chapter degree team was defeated by a mere one point in a close contest Saturday at Belleville, with the Tournament of Champions title going to Louisville, Ky., with 207 1/2 points to 206 1/2 for Granite City.

Competing were chapters from Kentucky, Tennessee, Missouri and Illinois. A grand banquet and an exhibition by the Black Knights concluded the day's program.

Local DeMolays performing were Charles Milbourne, David Toth, Ted Bourbon, Larry Lippe, Mary Fitzpatrick, Michael Hogan, Gary McConnell, James Rucker, William Henley, Terry Roehrer, Michael Beasley, Harry Ward, William Ebrecht, William Noud, Roger Santagato, David Cook, James LeGrande, Davis Raymond Henley, Charles Meyer and James Stuart accompanied the DeMolays.

## Homebuilders Class Honors Mrs. J. T. Bryant

The home of Mrs. Fern Erwin on Edwards street was the place of meeting Friday evening for the Homebuilders Class of Trinity Methodist Church.

Combined with the regular meeting was a farewell party for Mrs. J. T. Bryant, wife of the pastor, who will be leaving soon with Rev. Bryant to reside in Marion, Ill.

Twenty-two members of the group responded to roll call with Bible verses and prayer was offered by Mrs. Oia Underwood, president.

Mrs. Ruth Weston gave the lesson on "Mother's Love" and Mrs. Underwood, with an appropriate reading, presented Mrs. Bryant with a farewell gift from the class. The closing prayer was offered by Mrs. Bryant and refreshments were served.

## Birthday Party For Mary Beth Favier, Four

Mary Beth Favier, four-year-old daughter of Mr. and Mrs. John Favier, 2100 Amos avenue, celebrated her birthday at a party given by her parents Saturday afternoon.

The basement recreation room was decorated with balloons and a circus cake held the place of honor on the refreshment table. Games were played and there were gifts for each of the children.

Refreshments were served by Mrs. Favier to Janet Jakich, Marybeth Propp, Karen Stawar, Ricky Roth, Bobby Gauen, Betty Lynn Kozinski, Mary Ellen Bryer, the guest of honor and her sister, Annette.

On Sunday, Mrs. Favier, who celebrated her birthday Sunday, was complimented at a dinner party at the home of her brother-in-law and sister, Mr. and Mrs. Edward Richardson, in Shrewsbury, Mo.

## LARRY CHRISTIAN HONORED ON BIRTHDAY

Mrs. Velma Christian, 2018 Iowa street, entertained guests at a party Friday evening in honor of the tenth birthday of her son, Larry.

Favors were hats, balloons and whistles and refreshments were served by Mrs. Christian. The guest of honor's grandmother, Mrs. Blanche Butler, to the following: Jesse Martin, Kaye Hillis, Jim Johnson, Linda Milam, Lance Christian, Linda Veda Christian, Peggy Adams, Lydia Dicker, Mary Etta Hall, Kelly Wright, Jeanne Judy, Carolyn Reeves and Edith Borchelt.

## Film Of School Ensemble Available For Use Here

With his visit to Granite City delayed due to speaking engagements in Independence, Mo., and a luncheon with former President Truman, the Mexican radio-television chief official presented a film of the Coolidge Junior high school ensemble to Robert D. Todoroff in Independence Saturday. Todoroff led the Latin American ensemble in a widely acclaimed tour of Mexico last August.

Dr. Jose Mainero, who heads radio and TV for the Mexican Ministry of Education, gave the motion picture to Todoroff for use by local organizations. Arrangements for use of the film may be made by contacting C. E. Townsend at the Press-Record. It consists of a concert by the local students in Mexico City, and has been shown throughout Mexico. Todoroff, who gave the Mexican official a copy of the ensemble's recording, "Memories of Mexico," expects Dr. Mainero to arrive here Tuesday evening, leaving the following evening for Chicago. Details of a proposed second tour of Latin America are to be discussed.

The Maineros are visiting many American cities and also will go to Montreal, Canada.

**Improper Muffler Charge**  
A charge of operating a motor vehicle with an improper muffler was placed against Martin Ashel, 23, of Dallas, Tex., and the Granite City Army Depot. He was arrested Saturday afternoon at Poplar street and Niedringhaus avenue.

## Pedestrian Struck By Hit-Run Driver, Injured Seriously

A pedestrian struck by a hit-run motorist in Venice is among seven persons injured in traffic mishaps occurring in and near the Quad-Cities over the weekend.

Joe Malloy, 51, of 309 South Fourth street, Venice, was injured seriously by a hit-and-run driver at 10:10 p.m. Thursday on South Fourth street, which carries Illinois Route Three. Malloy was a pedestrian, and details of the accident were not immediately determined.

Suffering a hip fracture, he was removed by ambulance and has been admitted to St. Mary's Hospital, East St. Louis. The mishap occurred about 100 yards south of the stadium high line, near the Lincoln school.

Venice police are seeking the hit-and-run driver. A suspect was questioned Thursday night and was cleared. Besides the fracture, he suffered a large lump on the forehead, a blackened eye and cuts on his face and leg.

**Driver Hurt, Charged**  
A motorist whose car struck a pedestrian in the neck and chest area of Delmar avenue about 1:50 a.m. Sunday was hurt and charged with manslaughter. He was Basil Tarlas, 28, of 2377 Cleveland hill, who posted \$11,000 bail.

Police said he was driving north and struck a parked auto which faced south, owned by George Schott, 2312 Delmar avenue.

Andrew Gasparovic, 27, of 2150 Edison avenue, was x-rayed and treated at St. Elizabeth's Hospital at 5:30 p.m. Saturday for injuries suffered in an auto accident at a rail crossing near the Venice entrance of the Granite City Army Depot.

The car was struck in the neck, back and chest. His auto was struck in the rear while waiting for a train to pass. The other driver was identified as Louis Mazar, a soldier. Gasparovic was released following x-rays.

**Three Hurt On Rte. 111**  
Three persons were injured about 10 p.m. Friday in a two-car crash on State Route 111, about a quarter-mile south of the Route 35 junction.

Treated at St. Elizabeth's Hospital were Glen Taylor, 47, of Edwardsville, driver of one auto, and two passengers in the other auto, Mrs. Beatrice Corcoran, 37, of Bridgeville, Pa., and Phyllis Corcoran, nine, also of Bridgeville.

State police said Tolbert was going north, while the other auto was in the south lane. They were riding, driven by James T. Williams, 22, of Arvada, Colo., was making a U-turn.

Tolbert was treated for injuries to his nose; Mrs. Corcoran for a cut to her left hand and the girl for abrasions to her forehead and a scratch to her right arm.

located in the trunk of an auto owned by an Eagle Park Acres resident. He was released from custody at the Venice police station after questioning Friday.

Two similar break-ins at business establishments within two blocks of each other which were reported Friday morning. The loot totaled more than \$40. Victims were the Dolly Madison store, 1509 Madison avenue, and Rich's Sinclair Service office, 1701 Madison avenue.

The window of the south over-head door at the Dolly Madison store was broken to permit entry. The office was ransacked, and a small amount of employee coffee money was missing from a desk drawer.

A window was broken on the west side of the service station which was ransacked, and 40 pennies were taken. The thief then broke another window to gain entry into the office of the bulk plant where about \$40 in assorted change was missing.

The lightning electric drill and a crowbar were taken from the B & E Planning Mill stall built.

Police said he was driving north and struck a parked auto which faced south, owned by George Schott, 2312 Delmar avenue.

Andrew Gasparovic, 27, of 2150 Edison avenue, was x-rayed and treated at St. Elizabeth's Hospital at 5:30 p.m. Saturday for injuries suffered in an auto accident at a rail crossing near the Venice entrance of the Granite City Army Depot.

The car was struck in the neck, back and chest. His auto was struck in the rear while waiting for a train to pass. The other driver was identified as Louis Mazar, a soldier. Gasparovic was released following x-rays.

**Former Resident's 3 Grandchildren Killed**  
Mr. and Mrs. Fred Heely returned this week from Lincoln, Ill., where they attended funeral services for three grandchildren of Mr. Heely's sister, the former Miss Gladys Heely, who now is Mrs. Elmer Wycoff of Peoria.

A tragic home fire in Dallas, Tex., took the lives of the three youngsters, and a fourth, Toby, seven, is in serious condition in a Dallas hospital from smoke inhalation. The youngsters, children of Dr. and Mrs. Thomas Folkerts, were burned when their home caught fire at night. The doctor was away on a business trip and Mrs. Folkerts, who is the Wycoff's daughter, suffered minor burns.

The children killed in the blaze were Marti, 13, Cindi Lee, nine, and Thomas M., two. Mr. Heely is a sixth grade teacher at Mitchell school. He and his wife, Gladys, assistant city controller, reside at 70 Riverview drive.

STATES PLACING U. S. CONSTITUTION IN PERIL

To the Editor:  
A peril to our form of government is daily growing and gaining momentum without adequate notice in most of the country's press. There is hardly any response by governmental leaders.

Bar Associations and other organizations which have a responsibility in preserving the American system.

Illinois, Missouri and at least a score of other states have recently passed resolutions calling for a convention to amend the U. S. Constitution.

No one is certain how many states have passed similar resolutions. Action by 34 states is enough to require a convention.

Federal union and federal supremacy were upheld by resort to arms in the Civil War. Twenty years later, they are stealthily threatened by peaceful means.

Miss Georgia Theodoroff, 1330 Madison avenue, Madison, was hostess to the Silver Crest girls at her home Monday evening. Those who were present were Miss Sylvia Duffett and Miss Penia Barzoff.

Girls of the Tri-City Scout organization held a picnic meeting Tuesday afternoon at the school Wilson Park. They brought their supper and did some cooking at the park.

Awards were given for those seeking the largest amount of those receiving first prizes were Leland McCasland, Lenore Rosenberg, Harriet Anderson, Lucille Harris, Velma Jean Young, Deloris Brisk, Deloris (Anderson) Friedman, Lois Bander, Miss Parashagian, Helen Ertimoff, Patricia Bramley and Victoria Kirc.

Second awards went to Dorothy Lee Faulkner, Helen Ertimoff, Mary Jean Huff, Bonnie Roseberry, Edna Swane, Martha Russell, Barbara Harris, Arden Ann Linton, Opal Cessna, Lorraine Bon, Patty Summers, Patricia (Meadley) Summers, Mary Jean Bamber, Mable Georgeff, Helen Ertimoff, Mary Jean Huff and Ethel Taylor.

Thirty-six boys and 23 girls were reported for the month of April in Granite City and Namekook, according to the report of City Clerk J. R. Riggs. Granite City had 36 births and 21 deaths while Namekook reported two deaths and no births.

Coral Binning, president, was in charge of a meeting of the Madison Methodist church Tuesday evening in the home of Mrs. Lona Werner on Fifth street. Devotions were held by Mr. and Mrs. C. D. Smith and daughter, Joyce, C. D. Smith and Rev. Davis.

This being focus week, the meeting of the Women's Missionary Union of the Baptist church was held at the home of Mrs. J. R. Riggs. The program was "Shavees With Rejoicing - Japan." Mrs. Inez Neimeyer was the theme.

There was a social gathering given by the church Tuesday evening for the annual banquet and program sponsored by the Union of the church.

An appropriate playlet was given, the cast including Mrs. Lona Werner, Mrs. Charles Blumberg, Doris Schober, Virginia Hulmer, Bernice, Mrs. Betty Huebner, Mable Branding and Betty Ruth Meyer.

FLYASH COVERS FOOD IN DISHES AT HOME

To the Editor:  
I live on Namekook road and have to take the fly ash from the mill morning till night. We don't just breathe it, we eat it.

About two weeks ago, I set my table and by the time we sat down our food and dishes were covered with fly ash.

Why doesn't someone do something about it? Do the mills in Granite City or something? I know one thing. We are breathing it in and eating it.

Readers, let us hear how you feel about this. We can do something about it.

SEWAGE CONTAMINATES STREETS, SIDEWALKS  
To the Editor:  
On Monday, April 29, a very heavy rain in Granite City.

Community Older In More Ways Than One

Plans for a 78-room nursing home on West Pontoon road reflect growing interest in the needs of the elderly. The population is increasing both numerically and proportionately as medical progress enables more people to attain advanced age.

Housing accommodations for senior citizens also are being rapidly expanded as the Quad-Cities—once a fledgling community in which the young predominated—become a center of residence and activity for all age groups, including those in their golden years.

It was the meantime, we intend to check our own license date, the very next time we think about it.

License Renewal Too Big A Task For Most Memories

When does your driving license expire? Inability to keep the date in mind over a three-year span results in hundreds of late renewal applications being received each week. Because of the failure to report a one-year grace period generally is allowed by the state, although this does not protect motorists against arrests for unlicensed driving.

Is the worry one that Quad-Cities men have to contend with the rest of their lives? Apparently not, if there is favorable action on a current Illinois bill. Last summer, a report was made that 30 days before his license expires, joggling the memories of those who have found the license period to be too long.

Show Business Becoming Big Business As Enrollment Grows

Largest school production in the Quad-Cities, May Day 1963 provided a taste of show business for nearly 10,000 Granite City high school girls and boys. The production, directed by two capacity audiences composed predominantly of parents of the participants.

The colorful pageantry, precision drilling, skillful acrobatic stunts, costumes and spirited dancing received well-deserved applause along with the coronation ceremony, winding of the Maypole and procession of formally attired senior girls.

Auto Congestion Underlines Value Of Transit Systems  
That everyone has a stake in the success of commuter systems, such as the new Bi-State transit system, is underlined by the fact that rush-hour traffic conditions in major population centers.

Average auto speed has fallen to between six and 10 miles an hour during peak travel periods in major cities. The jam is certain to grow worse due to more people and more cars per person in the coming years. This could alter the current preference of many motorists, who in the future might choose to use mass transit.

More superhighways, street widenings and parking lots and help, but if the engineering community is convinced that someday it will be impossible to move enough people back and forth in passenger auto, even if the drivers were satisfied with a small pace, the only answer may be high-speed bus and train networks to convey workers from outlying parking lots into the congested centers of industry and commerce.

Madison Lions Club Nominates Officers

New officers for the Madison Lions Club were nominated at Thursday's dinner meeting at the Spokane Club. The officers for the coming year are: President, J. R. Maers; Vice President, J. R. Maers; Secretary, J. R. Maers; Treasurer, J. R. Maers; and Public Relations, J. R. Maers.

Producers who have outstanding farm or warehouse storage loans on the 1962 crop or who have signed a purchase agreement option are being informed by the county ASCS office of a new program of the 1962 soybean crop reduction under the price support throughout the country.

The efficiency and realism of the new program is being demonstrated by the participation of the students of Granite City High School in a speech department under the supervision of Miss Sandra Campbell.

## Women Voters' League Fund Drive To Open Here May 22

"Kickoff" for the 1963 financial campaign of the Granite City Provisional League of Women Voters has been set for a breakfast meeting Wednesday, May 22 at the Grand Cafe. It was announced today by Mrs. Emily Senoff, president.

Plans call for the drive to be completed within a one-week period, Mrs. Senoff said. She added that efforts will be made to obtain enough funds to meet a larger budget than last year making possible a more active program. Individuals and businesses contributed \$375 last May.

Members of the league not only will conduct the solicitation but also will make contributions themselves.

Mrs. Senoff says the members give because they understand that dues must stay low so that anyone can afford to become a member; they gain satisfaction in working with other league members in promoting good government in a responsible, non-partisan, democratic way; and they want the league to become more and more politically effective, realizing that one way to be more effective is to expand into every Illinois county, and that organizing and servicing new leagues is expensive.

Why should non-members contribute? The Granite City Provisional League supplies these reasons:

1. Because they recognize that women voters' league units promote good government in the community, state and nation, carefully and without special interest.
2. Because they wish to give the nearly 10,000 members in Illinois who devote their time, energy and talents to league work the means necessary to do the best job.
3. Because they want to say, "We believe you are working in the right way for the right cause." "Please let us work with you" and, sometimes, "Well done, League. Please accept this token of our thanks for working with us for good government."

**Projects, Study, Preparation**  
What has the League of Women Voters accomplished in Granite City? Much of the work lies ahead, for the unit has not yet left provisional status. But the 47 members have been busy. Mrs. Senoff relates both in carrying out specific programs and in preparing themselves for ex-

pected activities in the future. Part of the preparation has been the development of a "Know Your Town" report, a detailed analysis of the local community and its governmental agencies. Of 12 major sections, five have been completed and five more are nearly ready.

For the municipal elections last month, the league distributed 115 posters for display in businesses and other public places. The posters called attention to election information which the public could obtain from the league by telephone.

Prior to the general election last November, voting information booths were operated at three banks and three supermarkets.

During the past year, the Provisional League completed a study of "Economic Development," dealing with the balance of payments, private U. S. investment in foreign countries, farm surpluses and trade with regional blocks like the Common Market.

The league also has been devoted to state constitutional revision, the United Nations election supervision, revenue and civil liberty. Currently, the group is assembling background information for a possible study of public health conditions in the Quad-Cities.

**State Training**  
Four general meetings were held along with an annual meeting, 11 unit meetings, six board meetings, an all-day regional session and a visit to the state legislature. Four officers received training at the state office in Chicago.

The Granite City unit has been active in distributing league of Women Voters literature and packets, has maintained a literature table at the library and regularly publishes a league bulletin.

The Illinois League of Women Voters has just decided to include in its 1963-65 program an evaluation of the structure and financing of Illinois welfare services to children and their families.

**Membership Rules**  
As might be judged from its title, the league consists of women citizens of voting age who are interested in encouraging public participation in and understanding of governmental agencies and issues.

Men, persons under voting age and non-citizen women may become associate members. Individuals outside the area of a local league may become members-at-large.

Funds raised in the organization's yearly campaigns finance four categories of service: Work in the community—voters' service activities, public meetings and gathering and dissemination of information. Providing league members with—more usable information, more interesting meetings and more varied projects.

Strengthening the state and national league boards with—more opportunities for exchange of ideas, more readily-available information and improved working conditions.

And obtaining state and national services in—organizing new leagues, field service, coordination of legislative work, publications, research, specialized training, public relations and administration (the latter held to a minimum through utilization of volunteers).

**NEARING COMPLETION.** The new 45-unit Travelodge hotel in downtown Granite City is in the final stage of construction. Furnishings arrived last week, and the tentative opening date may be late this week.

## Second Job Census To Be Conducted Here

Questions designed to provide information on the number of persons who have more than one job will be asked in the May Current Population Survey, it was announced today by Director Theodore F. Olson of the U. S. Census Bureau's regional office at Chicago.

Information will be collected in the type of work done on a second job compared with the regular job, the number of hours worked at the second job, and whether the work was done at night or on weekends.

Previous surveys indicate that

about three million workers hold down more than one job. This is about five percent of the total employed.

The questions on secondary jobs will be in addition to the regular inquiries on employment and unemployment asked each month in the Current Population Survey. All of this information is being collected by the Census Bureau for the Bureau of Labor Statistics, U. S. Department of Labor.

The current Population Survey will be conducted here and in 236 other sample areas of the country during the week of May 20. The Census Bureau interviewer who will collect information locally will be Mrs. Mary J. Isbrecht, 4241 Highway 162.

## Fraternity Holds Initiation Here

Tau Kappa Beta fraternity held an initiation ceremony Thursday evening at the home of Larry Todoroff, 3120 Colgate place.

The officers of the fraternity, David Ahlert, Collinsville president, and Eugene Gunderson, and Michael Schutte and Larry Todoroff of Granite City, conducted the ceremony. Those initiated were Larry Deutschman, Stanley Kowalevich, Gilbert Richter and Michael Tritan. All are students at Southern Illinois University.

## Eagle Park Acres Residents Urged To Pay Water Fee

Cleveland Johnson, president of the Eagle Park Improvement Association, urged area residents to deposit their \$103 fee for water connections before the May 31 deadline.

He warned that if the quota to pay for extension of water lines of the East St. Louis & Interurban Water Co. is not met by the deadline, the fee will be larger at a later date.

"Eagle Park Acres is 16 years old, and that is too long for any community to be without water," he said. "We have been very lucky that there haven't been epidemics and diseases."

Persons with electric pumps who discharge waste water into the ground later pump up the same water, he said, stating that this was not a healthy procedure.

A large family with seven or 10 children could save on laundry alone to pay for the fee if the water line is extended, Johnson said. The cost at a laundry would be four or five dollars a week for a large family, he said, and at \$5, it would total \$200 a year.

With water, families could eliminate outside toilets, the church could have nice restrooms and drinking fountains, he said, and water can mean more than food.

Johnson reported that more than \$10,000 has been collected in fees and urged the other residents to pay their fees and "close this water drive."

## Granite City PRESS-RECORD Little Cynthia Hogopian Recuperating At Home

The small daughter of Mr. and Mrs. Zarzand Hogopian, 4008 Melrose avenue, who was hurt in a 20-foot fall off a ladder, returned home last week from Cardinal Glennon Hospital, St. Louis, and is recuperating from fractures to her skull and left wrist.

Mrs. Hogopian said her daughter, Cynthia, fell on April 29 in the evening while she was playing with a group of children. The steel ladder was at a nearby concrete products plant and was on its equipment, she said.

Serving Rural Illinois—

Corn planting time and all the time

Spring, summer, fall, winter—twelve months in the year—every week in the month—every day in the week—every hour of the day—Illinois facilities and men are on the job furnishing electric power to Illinois farmers.

Side by side with modern motorized equipment, electricity has changed farming from a grueling hit-or-miss grind to an efficient, satisfying way of life.

And keeping our rural customers satisfied—with good electric service—is the No. 1 goal at Illinois Power.

Every farm family in Illinois Power territory that wants electricity has it. Illinois Power serves more than 100,000 customers\* in rural areas. This is more than twice the number served in the same area by taxpayer subsidized REA Co-ops which get their electricity at low wholesale rates from Illinois Power.
